Summary

Developer for an aviation & aerospace company in São Paulo, I was responsible for reduce task execution time to over 70% - this is over 120% of my assigned target.

I'm proud of this achievement and realized that I have a bigger potential abroad. After 12 months of internship at Cagney Contract Cleaning in Dublin, I've learned that I can get what I aim for.

I'm currently planning to move to Europe soon and wish to continue pursuing my passion for develop IT solution
